1. There exist an alternate, efficacious, statutory remedy in the form of revision under MRTP & PULP Act before the Idustrial Court. The petitioner without availing of the said remedy has filed this petition directly calling in question the judgment and order passed by the labour court. In view of the availability of an alternate statutory remedy, the petition is not entertained. However, it is

made clear that it shall be open to the petitioner to file revision before the Industrial Court. Writ Petition is thus summarily dismissed.
